

Are there any maps available to help me find the networking event and/or interview rooms?

Below is a URL of an online interactive map:

<http://campus.map.fsu.edu/index.aspx>

- To find the networking event, select "Buildings", then "Academic", and scroll down and click on "University Center – BLDG C (UCC)"

- To find interview rooms, select "Student Life", then "Student Services", and scroll down and click on "Dunlap Success Center (DSC)"

My company will be conducting interviews on Friday. Do we need to do anything special?

Yes, please register with the career center through Handshake by visiting our website www.fsuactsci.com and following the step-by-step details found by hovering over the "Fall 2021 Jobs Fair" tab and clicking "Handshake Info".

Can I request additional interview rooms?

Yes, but only after all employer interview rooms have been accommodated. Please RSVP to this email and respond with your intent of receiving an additional room.

How do we go about setting up tables?

Company representatives typically bring free items to hand to students such as business cards, pens, small notebooks, etc. and a company table cloth to put over the table. Many representatives also bring logo stands to prop behind their tables. However, none of this is required by any company.

What are some food options close to the interview rooms?

According to Google Maps, Starbucks, Subway, and Chick Fil A are about four, five, and six minute of a walk away, respectively.

Below is a URL of an online map of food options. Please note that many food options will no longer be available as FSU is renovating the Student Union this year.

Where can we park?

Company representatives can park their cars at any of the visitor non-gated faculty/staff/student spots. In an upcoming email, company representatives will be asked if they need a parking pass for the networking event or interviews.

Below is the URL for a map of parking in FSU's campus:

<https://transportation.fsu.edu/sites/default/files/media/doc/CampusParkingMap2014.pdf>

- Parking for the networking event is indicated by the yellow and red spots around the stadium. The closest parking to the interviewing rooms is labeled as "TRADITIONS GARAGE" which is in the middle of the map. Traditions Parking Garage generally fills up quickly so using apps such as Uber or Lyft is recommended for that Friday.

Where can we ship boxes of supplies?

Steve Paris

c/o Mathematics

1017 Academic Way, Room 208

Tallahassee, FL 32306-4510

-Please send the supplies at your convenience

What time is the networking event on Thursday?

The networking event on Thursday will be from 5:30 to 7:30. Employers are invited to begin set-up at 4:30. If you are in a car, you can park for free in any spot on campus, except for handicap and loading zones, starting at 4:30.
