

# Lucas Battilana

Tallahassee, FL • (239) 777-9352 • [lucasbatty@gmail.com](mailto:lucasbatty@gmail.com)

## EDUCATION

Florida State University (FSU), Tallahassee, FL

Expected Graduation Date: July 2021

**Bachelor of Science: Actuarial Science**

Minor: Business

## PROFESSIONAL EXAMS

-FM

August 2020

## RELEVANT EXPERIENCE

Proficio Investment (Argentina)

September 2020

### Financial Research Internship

- Conduct financial and economic research on Argentina, Brazil, and other parts of the Latin American Region
- Valuation of a company to present to the firm's partners to be considered for investment
- Gain insight into the day-to-day workings of a dynamic financial firm in an often-volatile market
- Effectively communicate research findings weekly to traders and firm partners in Spanish

## FINANCIAL MATHEMATICS COURSE-RELATED EXPERIENCE

Actuarial Science Program, Mathematics Department, Florida State University

### Financial Investments

May 2020 – July 2020

- Developed an understanding of important Investment concepts
- Familiarized with securities & types of decisions that are commonly confronted by Investment Advisors & Stock Brokers
- Developed a understanding of analytical techniques commonly employed in Investment decision-making

### Financial Accounting

August 2018 – December 2018

- Utilized financial statements as a basis for business decisions and developed a basic understanding of financial accounting concepts and procedures
- Topics included merchandising activities, inventories, receivables, long-lived assets, liabilities, ownership equity, and internal control for corporations and other business entities

### Mathematical Statistics

January 2018 – May 2018

- Topics included combinatorial analysis, random variables (discrete & continuous), probability distributions, independence, conditional probability, sums of random variables, generating functions, central limit theorem, the laws of large numbers

### Risk Management Insurance

August 2017 – December 2017

- Developed an understanding for the principles of risk management & insurance, basic insurance contracts & provisions, & its application to personal and business risk problems

## PROGRAMMING EXPERIENCE

Computer Science Department, Florida State University

### Intro to Programming I

January 2017 – May 2017

- Created and deployed procedural abstraction and functions, an introduction to the object-oriented paradigm, namespaces, arrays, strings and vectors, pointers, and recursion; emphasis is on program problem-solving
- Utilized C++ to create a calendar, a list sorter among other assignments based on simple algorithms

## EXTRACURRICULAR EXPERIENCE

Argentine National Lacrosse Team (Copa America)

May 2017 – May 2018

### Lacrosse Player

- Playing midfield, knowledgeable on offensive & defensive playbook & possess stamina to run the full field multiple times.
- Playing the faceoff position, line up 1v1 to wrestle for possession of the ball after each goal
- Since Argentina is a growing nation, served as coach to less skilled players. This entailed having to watch them play & find small things that would help them improve

## MEMBERSHIP & INVOLVEMENT

Gamma Iota Sigma (Insurance, Risk Management, & Actuarial Fraternity)

August 2019 – Present

Future Seminole Actuaries, Member

August 2016 - Present

Argentine National Lacrosse Team (Copa America)

December 2014 - Present

Florida State Lacrosse Team

August 2016 - Present

Kappa Sigma Fraternity – Leadership Development Chair, Assistant Treasurer

January 2018 - Present

## TECHNICAL & LANGUAGE SKILLS

• **Software:** AutoCAD, Excel

• **Languages:** Spanish, Portuguese

• **Programming Languages:** C++

# STESHONIA DAVIS

## PROFESSIONAL SUMMARY

I am a resilient student with an aim to establish myself as a Leader and to make an impact within my field. I am driven by the love of mathematics and finance. I can excel under a stressful environment and create effective results that follow alongside the business' goal while enjoying every moment. I have exposure in Actuarial Science and Economics.
